1. LEGAL DISCLAIMER & STATUTORY FRAMEWORK PREAMBLE

Please note: This free template policy is for informational purposes only and does not constitute formal legal advice. It is a generic template that may not suit your specific circumstances. When adopting or revising a policy, consult legal counsel to ensure compliance with all applicable federal, state, and local employment laws and regulations.

Our Organization has developed this comprehensive employee attendance, working hours, and leave policy to ensure a consistent, transparent, and fair approach to attendance and timeoff management. This policy is designed to create a positive, accountable, and efficient work environment, fostering teamwork and contributing directly to our organization's long-term success.

This policy applies universally to all employees of the Organization, regardless of their position, department, or employment status. Whether you are a full-time, part-time, probationary, rotational shift, or fixed-term contract employee, good attendance, punctuality, and responsible leave planning are essential for the smooth operation of our business.

2. ATTENDANCE EXPECTATIONS, PUNCTUALITY & SHIFT ROSTER GOVERNANCE

1.1 Punctuality Mandate:
Employees are expected to arrive on time for their scheduled work hours. Punctuality is crucial for the effective operation of teams and the overall success of the company. Standard general business shift hours are from 09:30 AM to 06:30 PM, Monday through Friday, comprising 8 working hours and a 60-minute unpaid lunch break, representing 40 net working hours per week.

1.2 Rotational Shift Operations:
Technical support and 24/7 operational departments follow rotational rosters assigned by Line Managers:
• Morning Shift (Shift A): 07:00 AM – 04:00 PM
• Evening Shift (Shift B): 03:00 PM – 12:00 AM
• Night Shift (Shift C): 11:00 PM – 08:00 AM
Mandatory 15-minute shift handovers must occur prior to shift conclusion.

1.3 15-Minute Grace Window & Late Arrival LOP Rules:
A grace period is extended up to 09:45 AM. Employees may utilize this 15-minute grace window up to a maximum of 3 times per calendar month without penalty. Clock-ins recorded between 09:46 AM and 11:00 AM, or grace instances beyond 3 per month, constitute Late Arrivals. Accumulating 3 Late Arrivals in a calendar month triggers an automatic 0.5-day Loss of Pay (LOP) deduction; 6 Late Arrivals trigger a 1.0-day LOP deduction. Clock-ins after 11:00 AM automatically default to a Half-Day Absence.

1.4 Regularization SLA:
Employees must log attendance regularization requests in HRMS within 3 working days of any missing or erroneous punch (limited to max 3 regularization requests per month; a 4th request requires Department Head pre-approval).

3. COMPREHENSIVE PAID & UNPAID LEAVE CATEGORIES

In recognition of the diverse needs of our workforce as well as the importance of work-life balance, the Organization provides various types of paid and statutory leave:

2.1 Casual Leave (CL):
12 working days per calendar year (accrued at 1 day per completed month). Intended for urgent, short-term personal or family obligations. CL cannot be combined with Earned Leave and cannot be taken for more than 3 consecutive working days.

2.2 Sick Leave (SL):
12 working days per calendar year (accrued at 1 day per month) for personal illness, medical recovery, or healthcare appointments. A medical certificate issued by a registered medical practitioner is mandatory for SL exceeding 2 consecutive days.

2.3 Earned Leave (EL / Vacation Leave):
15 working days per calendar year (1.25 days accrued per month), available after successful completion of 6 months of probation. Minimum application duration is 3 consecutive days. Planned EL requests must be submitted in HRMS at least 7 calendar days in advance.

2.4 Statutory Maternity & Paternity Leave:
26 weeks (182 calendar days) fully paid Maternity Leave for female employees for up to 2 surviving children under the Maternity Benefit Act, plus 30 days additional paid leave for pregnancy medical complications. Male employees receive 15 consecutive days of paid Paternity Leave within 6 months of child birth or legal adoption.

2.5 Bereavement Leave:
5 consecutive working days paid leave granted upon the demise of an immediate family member (spouse, child, parent, or sibling).

2.6 Reasonable Accommodations & Flexible Work:
Managers are encouraged to work with employees to identify reasonable accommodations, like flexible working hours or adjusted shift rosters, requiring Department Head written pre-approval.

4. ABSENCE REPORTING, EMERGENCY SLAS & WORK FROM HOME (WFH) GUIDELINES

3.1 Unplanned Absence SLA:
If an employee is unable to report to work due to unexpected illness or emergency, they must notify their Line Manager via phone/message by 09:00 AM on the day of absence. If unreachable, notify HR Operations directly.

3.2 Work From Home (WFH) Framework:
Remote work requests require 24 hours advance manager pre-approval in HRMS. Remote employees must remain active during core hours (10:00 AM – 05:00 PM), maintain a 25 Mbps broadband connection, respond to calls/Slack within 30 minutes, and remain connected via Always-On Corporate VPN.

3.3 Overtime (OT) Governance:
Overtime work exceeding 2 hours requires advance written pre-approval from the functional Vice President. Pre-approved weekend OT (4+ hours) earns 1 day of Compensatory Off (Comp-Off), which must be used within 60 days or it lapses.

3.4 Service Abandonment Protocol:
Absence without prior notice or approved leave for 3 consecutive working days triggers an automated Show-Cause Notice. Absence for 5 consecutive working days without response is legally classified as Voluntary Abandonment of Employment, resulting in summary termination and recovery of company property.

5. ATTENDANCE TRACKING, BIOMETRIC SCANS & GEOFENCING SECURITY

4.1 Timekeeping Systems:
All employees are required to record daily entry (clock-in) and exit (clock-out) punches accurately using authorized biometric entrance scanners or the mobile HRMS app.

4.2 Mobile GPS Geofencing:
Remote, field sales, and client-site personnel clocking in via the mobile HRMS app capture real-time GPS coordinates subject to a 50-meter geofenced radius around designated work locations.

4.3 Incomplete Punch Penalty:
Clocking in without clocking out flags an "Incomplete Punch" and defaults to a 0.5-day Loss of Pay unless regularized in HRMS within 3 working days.

4.4 Attendance Records Confidentiality:
Attendance records are confidential and accessed only by authorized HR personnel and direct supervisors involved in attendance management.

6. YEAR-END CARRY-FORWARD, LAPSING & SEPARATION LEAVE ENCASHMENT

5.1 Annual Lapsing of CL & SL:
Unutilized Casual Leave and Sick Leave lapse automatically at midnight on December 31st each year and cannot be carried forward or encashed.

5.2 Earned Leave Carry-Forward Cap:
A maximum of 10 days of unutilized Earned Leave may be carried forward into the subsequent calendar year.

5.3 Leave Encashment at Separation:
Accumulated EL beyond the carry-forward cap, up to a maximum of 30 days, is encashable upon resignation, retirement, or full separation based on basic salary.

7. POLICY REVISIONS & EMPLOYEE ACKNOWLEDGMENT PROCEDURES

The Organization recognizes that policies must evolve to align with changing workplace needs and labor laws. Policy updates will be communicated through email and corporate portal announcements. All employees are required to review and digitally acknowledge policy updates upon publication.
