1. LEGAL DISCLAIMER & POLICY PREAMBLE

Please note: This template policy is for informational purposes only and does not constitute formal legal advice. It is a corporate governance template designed to align with Acas best practices and general labor standards. When adopting or revising this policy, consult legal counsel to ensure compliance with all applicable state, national, and local employment regulations.

Our Organization has developed this employee attendance policy to ensure a consistent, transparent, and fair approach to attendance management. This policy is designed to create a positive and efficient work environment, fostering teamwork and contributing to our organization's overall success.

This policy applies to all employees of the company, regardless of their position or employment status. Whether you are a full-time, part-time, probationary, or temporary employee, good attendance is essential for the smooth operation of our business.

2. ATTENDANCE EXPECTATIONS & PUNCTUALITY STANDARDS

1.1 Punctuality:
Employees are expected to arrive on time for their scheduled work hours. Punctuality is crucial for the effective operation of teams and the overall success of the company. Standard general business shift hours are 09:30 AM to 06:30 PM, Monday through Friday, with a 60-minute unpaid lunch break.

1.2 Regular Attendance:
Consistent attendance is vital for meeting project deadlines, maintaining team productivity, and providing excellent service to our internal and external clients.

1.3 Proactive Communication:
In the event of an unexpected absence or tardiness, employees are required to communicate as soon as possible with their direct supervisors or Human Resources.

1.4 Formal Leave Requests:
All leave requests, including sick leave, vacation, and personal days, should be submitted in advance in accordance with established digital procedures outlined in this policy.

1.5 Record Keeping Integrity:
Accurate record-keeping of attendance is essential. Employees are responsible for ensuring that their attendance records are up-to-date and accurately reflect their actual work hours. This policy serves as a guide for employees and supervisors alike in fostering an environment that encourages accountability, teamwork, and operational success.

3. TYPES OF LEAVE & ENTITLEMENTS

In recognition of the diverse needs of our workforce as well as the importance of work-life balance, the Organization provides various types of leave to accommodate different life circumstances and excused absences. Employees are encouraged to familiarize themselves with the following leave categories:

2.1 Sick Leave:
We provide paid sick leave (12 days per year) for employees' own illnesses, medical recovery, or healthcare appointments. Employees must notify their manager as soon as possible in the event of illness and document the sick leave in our HR Information System (HRIS).

2.2 Vacation / Earned Leave:
Vacation leave allows employees to take time off for rest, relaxation, and personal activities (15 days per year). Requests for vacation leave must be submitted in advance via the HRIS portal, and approval is subject to business operational needs and team staffing requirements.

2.3 Personal Leave:
Personal leave (12 days Casual Leave per year) may be granted for urgent personal obligations not covered by sick or vacation leave. Employees should submit personal leave requests in advance and provide a brief explanation for the request.

2.4 Bereavement Leave:
Bereavement leave (5 consecutive paid days) is granted to cope with emotional and practical challenges arising from the death of an immediate family member (spouse, child, parent, or sibling).

2.5 Parental Leave:
Maternity (26 weeks paid) and Paternity (15 days paid) leave allow employees to take time off for the birth or legal adoption of a child. Employees should notify their supervisor well in advance and follow company procedures for documenting parental leave.

2.6 Jury Duty & Statutory Military Leave:
Jury duty and military reserve leave are provided to employees called to active duty or civic summons. Employees should provide advance notice and documentation of the official summons to HR.

2.7 Reasonable Accommodations:
In addition to formal leave, managers are encouraged to work with employees to identify reasonable accommodations, such as flexible working hours or adjusted shift schedules. Any change to an employee's standard work schedule requires approval from the functional Department Head.

4. REPORTING ABSENCES & UNFORESEEN DELAYS

We believe in open, honest communication and understand that life can throw unexpected curveballs. If you find yourself unable to make it to work or running behind schedule, here is how we work together to keep operations running smoothly:

3.1 Unplanned Absences:
If you wake up feeling unwell or face an unforeseen emergency, notify your supervisor before your scheduled shift start time (by 09:00 AM). A call or message through our preferred HRMS channel is required. If you cannot reach your supervisor, contact HR Operations directly.

3.2 Remote Work / WFH Adjustments:
If you are expected on site but need to work from home due to a personal commitment or transit emergency, inform your manager as soon as possible and log a WFH request in HRIS.

3.3 Tardiness & Late Arrivals:
If you are running late for any reason, send a message to your supervisor before your scheduled start time. Let them know why you are delayed (e.g. severe traffic or transit delay) and your estimated arrival time. Proactive communication is highly appreciated.

3.4 Planned Employee Absences:
When planning a vacation or taking personal time off, log your leave request through HRIS at least 7 days in advance. Give your manager a heads-up on the requested dates so team coverage can be arranged.

3.5 Medical Documentation SLA:
For sick leave exceeding 2 consecutive working days, employees must provide a medical certificate signed by a registered medical practitioner to HR Operations.

3.6 Emergency Situations:
We recognize that severe emergency situations may make immediate communication impossible. In such cases, contact your supervisor as soon as you are safely able to do so.

5. ATTENDANCE TRACKING, BIOMETRICS & RECORDS CONFIDENTIALITY

At our Organization, we maintain accurate attendance records to ensure transparency, fairness, and compliance for everyone:

4.1 Timekeeping Systems:
All employees must use designated timekeeping systems (biometric entrance terminals or geofenced mobile HRMS apps) to record daily clock-in and clock-out times accurately.

4.2 Managerial Oversight:
Supervisors regularly review and verify the accuracy of team start and end times, addressing unexcused absences or discrepancies promptly.

4.3 Record Accuracy & Employee Verification:
Employees are responsible for checking their HRMS attendance cards regularly. If any discrepancy is identified, log an attendance regularization request within 3 working days.

4.4 Confidentiality & Data Privacy:
Attendance records are strictly confidential and accessible only to authorized HR personnel and direct reporting managers involved in attendance administration.

6. PROGRESSIVE DISCIPLINARY ACTION & JOB ABANDONMENT PROTOCOLS

While our primary focus is on fostering a positive and collaborative work environment, disciplinary action may be necessary to address chronic attendance issues:

5.1 Progressive Discipline Framework:
Disciplinary action follows a progressive approach:
• Stage 1 (Initial Infractions / Minor Delays): Informal counseling session and verbal warning from Line Manager.
• Stage 2 (Repeated Tardiness / 3 LOPs): Formal Written Warning detailing specific attendance concerns, expected benchmarks, and consequences of non-improvement.
• Stage 3 (Chronic Absence): Placement on a 30-day Attendance Improvement Plan (AIP) or temporary suspension without pay.
• Stage 4 (Unresolved Absence / Job Abandonment): Summary termination of employment.

5.2 Job Abandonment Declaration:
Absence for 5 consecutive working days without communication or response to formal show-cause notices will be legally classified as Voluntary Job Abandonment, leading to immediate employment termination.

5.3 Appeals Right:
Employees have the right to appeal any disciplinary action in writing to the HR Grievance Committee within 7 working days of notice.

7. POLICY REVISIONS & EMPLOYEE ACKNOWLEDGMENT

The Organization recognizes that policies must evolve to align with changing business operational needs and legal regulations. Updates to this policy will be communicated via email and corporate HR portal announcements. All employees are required to review and acknowledge policy updates upon publication.
